8	Sampai terbuka tampilan seperti ini	

9	Search "Shark" kamu bisa pakai Shark saja atau Shark 2	 A screenshot of a mobile application interface. At the top is a purple header with a white left-pointing arrow and the text "Back". Below the header is a light purple section containing a search bar with a magnifying glass icon on the left, the text "Shark" in the center, and a blue "x" icon on the right. To the right of the search bar are two circular buttons: an orange one with "All" and a purple one with "Sp". Below the search bar is a light blue section with two white rounded rectangular cards. The first card features a realistic illustration of a grey shark and the text "Shark" below it. The second card features a cartoon illustration of a blue shark with large eyes and a wide, toothy grin, and the text "Shark 2" below it.
10	Search "Fish" pilih ikan Nemo saja	 A screenshot of a mobile application interface, similar to the one above. It has a purple header with a white left-pointing arrow and the text "Back". Below the header is a light purple section with a search bar containing a magnifying glass icon, the text "Fish", and a blue "x" icon. To the right of the search bar are two circular buttons: an orange one with "All" and a purple one with "Sp". Below the search bar is a light blue section with two white rounded rectangular cards. The first card features a realistic illustration of an orange and white clownfish (Nemo) and the text "Fish" below it. The second card features a cartoon illustration of a small orange fish inside a purple and white striped fishbowl, and the text "Fishbowl" below it.
