

No	Steps	Picture
1	You need to open the Excel again	 The screenshot shows the Windows Start menu search interface. The search bar at the top contains the text 'Excel'. Below the search bar, the results are categorized into 'Best match', 'Documents', and 'Folders'. In the 'Best match' section, the 'Excel App' is listed with a green Excel icon. The 'Open' button next to the 'Excel App' preview is circled in red. The search bar at the bottom of the screen is also circled in red.
2	Choose “Blank Workbook”	 The screenshot shows the Microsoft Excel 'New' screen. The 'Blank workbook' option is circled in red. The screen displays various templates and a list of recent files.

3 Wait until you can see this Microsoft Excel

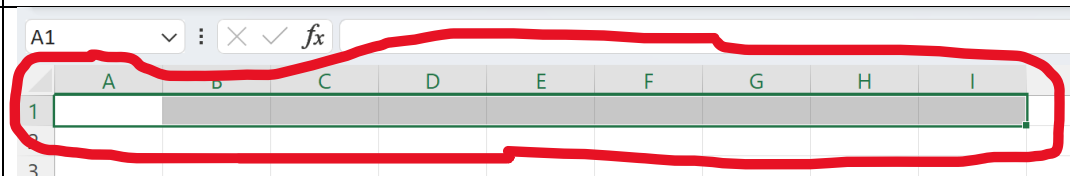

4 Open your book on page 18
