1	Open Microsoft Excel	 The screenshot shows the Windows Start menu search interface. In the 'Best match' section, the 'Excel App' is highlighted with a red circle. To the right, the 'Excel App' details pane shows the Excel icon and an 'Open' button, which is also circled in red. At the bottom, the search bar contains the text 'Excel' and is circled in red. The 'Documents' and 'Folders' sections are visible on the left, and a list of recent files is shown on the right.
2	Choose “Blank Workbook”	 The screenshot shows the Microsoft Excel 'New' screen. The 'Blank workbook' template is highlighted with a red circle. The screen displays various templates, including 'Welcome to Excel', 'Formula tutorial', 'Power Query tutorial', 'PivotTable tutorial', and 'Beyond pie charts tutorial'. A search bar is visible below the templates, and a list of recent files is shown at the bottom.
